**To
The Central Committee
Communist Party of Greece
Athens**

Dear Comrades,

The National Council of the Communist Party of India sends its warm greetings to the Central Committee and the entire membership of the Communist Party of Greece on the occasion of the 95th anniversary of its foundation.

The Communist Party of Greece is one of the oldest Parties which have withstood many ups and downs in its activities during the last 95 years. A revolutionary party with an integrated world outlook guided by the science of Marxism-Leninism contributed greatly to the advancement of international communist movement. Having experienced many battles against fascism and against the military dictatorship, the CPG had led the people to win many battles for the restoration of democracy and for the rights of the people of Greece. And in these periods of struggles the CPG never succumbed to any threat and pressure from the fascist or reactionary forces. CPG had to withstand all kinds of atrocities and had to work in underground for long time.

CPI recognizes with respect the glorious history of the Communist Party of Greece and its sacrifices in the struggle against imperialism, fascism and reactionaries for achieving peace, democracy and social justice and finally mobilizing the people of Greece under the leadership of CPG for Socialism.

The CPI appreciates the role of CPG in strengthening the international communist movement through different initiatives.

Once again we extend our fraternal greetings to all Greek Communists on this happy occasion.

With revolutionary greetings,
**National Executive
Communist Party of India**
