

**Secretary General  
Central Committee  
Communist Party of Greece**

**Comrade Dimitris Koutsoumpas**

**Athens**

Dear Comrade Koutsoumpas,  
Dear Greek comrades and friends,

On behalf of the Hungarian Workers' Party and on my own behalf I send our sincerest congratulations and best wishes on the occasion of the 95<sup>th</sup> Anniversary of the foundation of the KKE.

We, Hungarian communists deeply respect the Communist Party of Greece. Many generations of the Greek communists have fought with great enthusiasm and heroism against capitalist exploitation, for the rights of the working people. Greek communists have struggled for the independency and freedom of Greece. Greek communists have made historic contribution to the fight against fascism. The KKE has brought up many generations of sincere fighters for socialism.

We highly appreciate the contribution of the KKE to the development of the international communist movement. Greek communists have always defended the principles of Marxism-Leninism. They continue their consequent fight against revisionism and all other attempts to prevent the working class to realise its great aim of socialism.

The KKE has become a decisive factor of the international communist movement. Its policy of internationalism, its deep commitment to Marxism-Leninism give a great help and inspiration to all communist and workers' parties of the world.

We, Hungarian communists are proud of our common traditions of struggle against capitalism. After World War II many Greek communists and patriots came to socialist Hungary that became their second fatherland. After the collapse of socialism in Hungary Greek communists helped immediately to reborn the communist party in Hungary. We will never forget your help and support.

Now we are fighting together against capitalism, for strengthening the international communist movement, for peace and for the socialist future of Greece and Hungary.

We are happy to see that our young people, our younger generations share our desire to develop the alliance and cooperation between the Communist Party of Greece and the Hungarian Workers' Party.

We are sure we will win together!

Happy Birthday, happy 95<sup>th</sup> Anniversary to the Greek communists!

Comradely yours
